

# Quilt Planning Checklist

On the Trail  
Creations   
Fairbanks, AK

Date:

Event or who it's for:

1. **Subject:** Theme or focal point
2. **Size:** portrait or landscape, approximate dimensions, starting small helps!
3. **Techniques:** collage, pieced background, applique, etc. (My original wall hanging kits use applique for the background stripes!)
4. **Colors:** I often start with this one! I like analogous colors, but that's me!
5. **Fabrics:** Using many fabrics from one collection ensures they will go together, but definitely not necessary! Make sure to have a variety of values.
6. **Quilting:** Sometimes this is already done in the background process
7. **Embellishments:** Beads, thread painting, hand embroidery, Inktense, etc.
8. **Finishing:** Binding, pillowcase finish, frame, etc.
9. **Hanging:** Sleeve, corner tabs, etc.

I hope this list of quilting decisions to make helps! For more in depth information, I hope you will join my Simple Secrets for Starting Art Quilting class!
